

I'd Rather...

Use the cards on the following pages to imagine different situations and talk about them.

- Would you rather play basketball or soccer?
- Would you rather play tag or sipa?
- Would you rather eat a piece of carrot cake or cassava cake?

Print and cut out the "I'd Rather" cards. Put the cards face down. Draw two cards at a time. Which card tells about something you would rather do? Pick that card.

Draw pictures of your choices. Put yourself in the picture.

Make your own cards using the blank ones on the following pages. Add them to the game.
