Make Your Own Country

Consider the following:

1. What does the landscape look like?

3. How many people live there?

4. What kinds of animals live there?

5. What are some of the most important rules?

6. What are your national treasures?

7. What's the average day like?

Now come up with the following:

Country name:

Flag:

National sport:

National flower/plant:

National animal:
