

Comparing food costs

Who doesn't love pizza?

There are lots of ways to get a pizza when you want one.

You could:

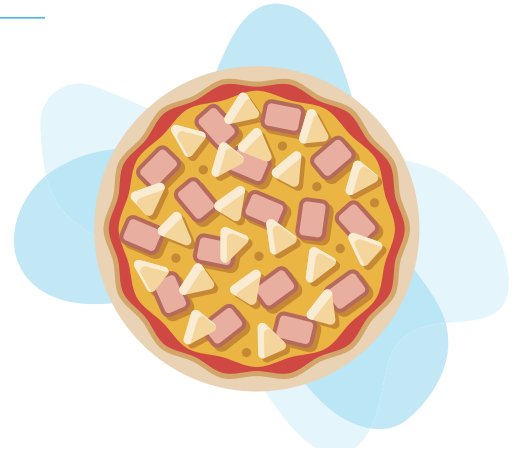

- Go to a restaurant to eat a pizza
- Order a pizza and have it delivered to you
- Buy a pre-made pizza from the grocery store
- Make your own pizza at home

What's your favourite way to have a pizza?

Do you think it costs more to:

- Buy the things you need to make a pizza at home?
- Buy a pre-made pizza at the grocery store?

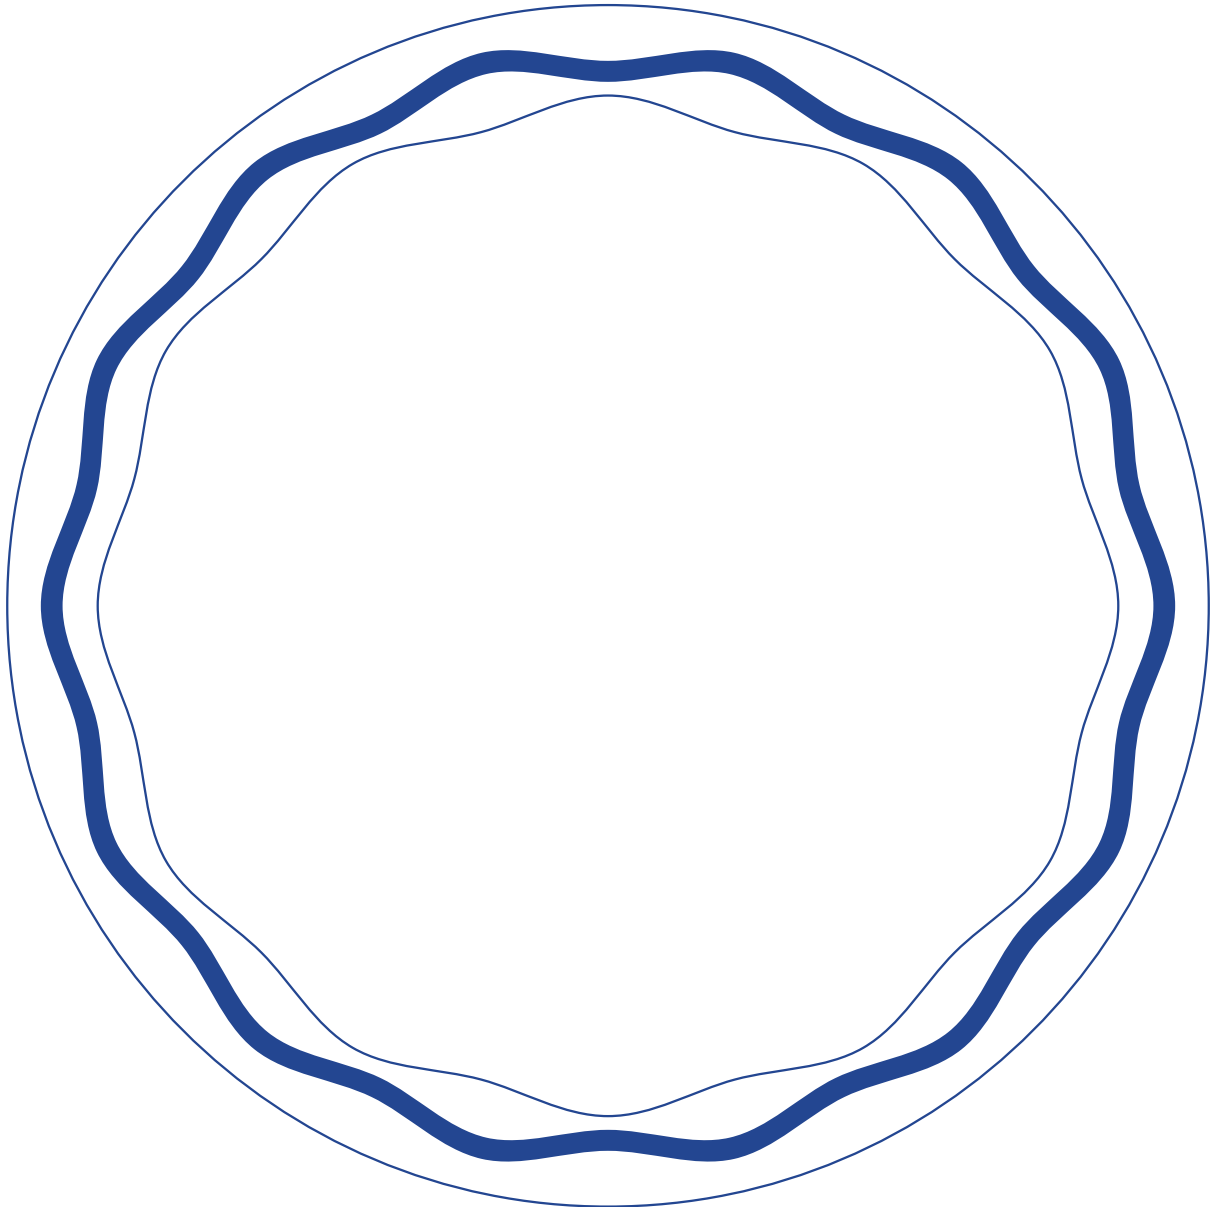

Why do you think one costs more?

What do you think is the most expensive way to have a pizza?

Why do you think so?

What's your favourite kind of pizza? What toppings do you like?
If you could have a pizza right now, what would it look like?

Earlier we learned how to look for the best deals and compare costs. Let's do the same for pizza. Find the best pizza deal in your neighbourhood.

You can do this by:

- searching online
- looking at flyers
- visiting the grocery store
